Dear Parent/Guardian

As a result of the success of the Spotlight dance show held on Weds 30 March and Thurs 1 April, Mrs Chambers and myself would like to give your daughter the opportunity to visit the The Royal Centre in Nottingham to see Riverdance.

The date for the visit will be Tuesday 11 May. The show starts at 8.00pm therefore your daughter will be departing from school at 5.30pm and returning at approx 11.00pm. Arrangements will need to be made to collect your daughter from school in the evening.

The cost of tickets and transport is £18 and cheques should be made payable to Catmose College.

As there are a limited number of places available, it is imperative that payment and form is returned promptly and **put into the green post box** outside the bursar's office in order to reserve your daughter's place on the trip.

Should a parent withdraw their daughter from the trip, refund of monies paid will be subject to the party leader finding a suitable replacement.

Students have until Friday 23 April to request tickets, as we need to confirm the number of tickets required by Monday 26 April after this date any unsold tickets will be offered to other students who did not take part in the show to ensure all are sold.

We have medical details on file for students but should your child's details have changed please either contact me directly or fill in the form below and I will ensure that they are updated.

If you have any further questions, please do not hesitate to contact me directly.

Yours sincerely

Deborah Powell
