Dear Parent / Guardian

For the first time we are delighted to offer students in year 8 a choice of languages to study in year 9. This choice will affect the languages lessons students have at Catmose College every week.

This opportunity will provide students with the necessary experience to take two GCSE languages should they wish to. Students who wish to take two languages at GCSE will have the opportunity to follow an intense revision session of the language they have previously studied in term 6 of the elective programme next year.

Students should choose a first and second choice from the list below. We will then endeavour to create groups according to student first choices. Students will be informed by letter of the outcome of this by the end of term 6.

Students who do not return this form by the deadline of Friday 21 May will be given a guided choice by staff in the languages team. Completed forms should be handed in at client services.

Yours sincerely

Stuart Williams

Reply slip – to be returned to Client Services no later than Friday 21 May
