JMD/SPW

Dear Parents/Guardians

Students in year 9 will soon be making their options choices for their key stage 4 curriculum. This is an exciting time of year where students will, often for the first time, have the opportunity to shape their curriculum.

For the first time this year students will be given free choice for their options, rather than options columns which often restrict them in their decision making.

The options evening will take place from 7 – 9pm on Thursday 18 March. In order to provide students with detailed information on the courses available, options booklets and forms will be issued during the elective on that day. We would invite all parents and students to attend this event as it will allow for open conversation with subject teachers and ensure that any questions you have are addressed.

There will be two talks in the theatre at 7.15 and 8.15pm, and parents are welcome to attend either of these with students. In addition, subject teams will be in the dining hall to offer advice and answer questions on the individual courses that are available to students.

Following this event, students will have until Thursday 1 April to return their options forms. We look forward to seeing you on the night.

Yours sincerely

Stuart Williams
