OPT IN: USING IMAGES OF CHILDREN

We like to have a record of our students taking part in the many activities that are offered at the College. We may take photographs of the students. We may use these images in our College prospectus or in other printed publications that we produce, as well as on our website, social media, display screens or on project display boards at the College. We may also make video recordings for College conferences, monitoring or other educational use.

From time to time, our College may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Students will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

OPT IN: EXTRA-CURRICULAR SPORT

Extra-curricular sport takes place at both lunchtimes and after College. Fixtures are played at the College, at opposing schools and at local clubs and sports facilities. Students travel to fixtures, occasionally by foot, minibus and coach.

OPT IN: TRIPS/OFF-SITE ACTIVITY DURING THE COLLEGE DAY

Students often have the opportunity to go on trips and visits during the College day. Students will travel by foot, car, minibus or coach and will be supervised by College staff.
