SUPPORT AT CATMOSE

Teaching Assistants provide support to so many students throughout the College day, and the SEND team would like to take a moment to say thank you to our TAs for all they do and the support they have given students so far this academic year.

We have had three Teaching Assistants join us this year: Mrs Chamberlain, Miss Wells, and Miss Cutmore. We know that all students have welcomed them to Catmose College and value their support.

ACADEMIC UPDATES

Year 11 students have received their mock results and are busy preparing for their upcoming exams. Please refer to the exam timetables that were given to students. <https://www.catmosecollege.com/exam-administration/>

Year 9 options meetings began this term with a member of the Senior Leadership or the SENCO team. There is a progress evening on Wednesday 12 March, where bookings can be made with subject teachers to gain a better understanding of the GCSE courses.

EXTRACURRICULAR

A number of our students have been involved in a variety of extracurricular opportunities this academic year, and we are delighted to offer a wide range of options.

Please see the flyer sent out at the start of each term to find out what is available this term. Options include music ensembles, drama club, chess club, and sports activities. <https://www.catmosecollege.com/activities/>

CURRICULUM

We are incredibly proud of the wide range of opportunities available to our students. Exciting topics and skills are taught in core subjects, option choices, and engaging Electives.

Please use the event calendar to stay informed about upcoming events <https://www.catmosecollege.com/events/>

Dylan, Year 7 – Broccoli and mushroom pasta bake from Electives.

Darcy, Year 10 – Chelsea buns from Hospitality & Catering.

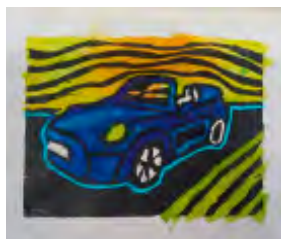

Milly, Year 11 – Banana bread from Hospitality & Catering.

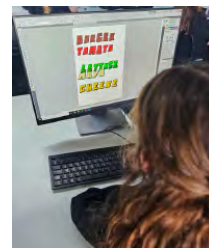

Marla's colourful linocut print.

Darcy and Faith's (almost finished) fantastic felt scenes for their travel project.

Luca's wonderful linocut prints.

TRIPS AND VISITS

Mrs Evans has been busy organising a series of business trips designed to introduce students to a diverse range of industries founded by local entrepreneurs. The aim is to give DSP students ideas for possible industries on which to base their studies post-16.

The next trip is currently in the planning stage and will involve a visit to a local business in Rutland.

THE LOCAL OFFER

Rutland County Council provide advice and support for families with children with SEND.
<https://www.rutland.gov.uk/rutland-information-service/send-local-offer>

We have been informed that, due to financial reasons, ADHD Solutions closed for business on Tuesday, 31 December 2024. As a result, those who previously accessed ADHD Solutions in the College will no longer be able to do so.

Rutland County Council has advised that they will continue to offer the monthly ADHD drop-in session, which will be run by the Aiming High team.
